Overview

I am a passionate and dedicated undergraduate student at Rajarata University of Sri Lanka, pursuing a B ICT Hons degree. With a keen interest in web development and digital marketing, I am actively studying and gaining hands-on experience in these fields. I am eager to apply my skills and knowledge to contribute to innovative projects and grow as a professional in the tech industry.

Work Experience

Internship Bank Trainee

Peoples Bank - Katunayake Branch (2022-2023)

- **Customer Service**—Assisted customers with account inquiries, transactions, and provided information on banking products and services, ensuring a high level of customer satisfaction.
- **Cash Management**: Oversaw the daily cash operations, including handling large sums of money, balancing cash drawers, and preparing bank deposits.
- **Team Collaboration**: Worked closely with bank staff and management, gaining insights into daily banking operations and contributing to team goals

Extra Qualifications

- I have successfully completed an Advanced Diploma in Mastering Elite Digital Marketing for Consultants.
- I have successfully completed a certificate course in Basic Concepts of Digital Marketing.
- I have successfully completed a certificate course in Front End Development
